Top award is Grande for Ariana

SINGER Ariana Grande has been named 2018 Woman Of The Year by Billboard.

Ariana, 25, will receive the award at their 13th annual Women in Music event on December 6 in New York City.

Previous recipients include Taylor Swift, Lady Gaga, Madonna and Selena Gomez.

In a statement Billboard's Ross Scarano said Ariana (below) "consistently

stands up for herself and her decisions in a world that often isn't hospitable to that sort of strength in young women".

In the past year, Ariana has had Top 40 hits including *No Tears Left To Cry*, *Breathin'* and *God Is A Woman*.

She helped organise the One Love concert last year, raising more than £17.5million for victims of the Manchester bombing.

New Look set to close 100 stores

NEW Look could close up to 100 stores in the latest blow to high streets across Britain.

The fashion retailer's plan is part of a revamp designed to cut costs and improve profitability.

The chain's bosses yesterday said 85 stores had closed or were closing. Talks were ongoing with 13 stores.

Creditors for the chain had already approved plans to shut 60 stores and axe 1,000 jobs in March.

Sales for New Look fell 3.7 per cent for the 26 weeks to September 22.

EXIT BREXIT?

Poll finds 54 per cent of Brits now want to STAY in Europe

BRITAIN now wants to remain in Europe, according to a new poll.

The survey of 20,000, the largest since the 2016 referendum, found a swing away from Leave, with respondents saying they would now back staying in the EU by 54 per cent to 46 per cent. The referendum saw 52 per cent vote Leave.

Survation's poll for Channel 4 News found support for Brexit has declined sharply in some

constituencies which were staunchly pro-Leave two years ago.

Researchers found the number of local authority areas backing Brexit has fallen from 262 in the referendum to 157 today. The number backing Remain has risen from 116 to 221.

Double-digit falls in support for Brexit were recorded in a string of seats in Labour's heartlands, including Wigan, Stoke-on-Trent and Middlesbrough.

The findings could help sway the mood of Labour MPs as they consider whether to back Theresa May's Brexit deal or join the campaign for a second referendum.

Vote

The poll did not, however, find conclusive backing for yet another vote.

Some 43 per cent said they would support a referendum that

pitted a final Brexit deal against remaining in the EU – but this was opposed by 37 per cent.

Fewer than one in six (16 per cent) believe Brexit will be good for their own finances, with 38 per cent braced for a negative impact.

Respondents were more bullish on the economy as a whole, with 31 per cent predicting Brexit would be good for UK plc.

High turnout for 'Trump referendum'

AMERICANS voted yesterday in nationwide elections seen as a referendum on Donald Trump's presidency.

Polling stations opened on the East Coast, as Republicans and Democrats battle for control of the two houses of Congress.

Governor posts and seats in state legislatures are also up for grabs.

The mid-term elections come halfway through Mr Trump's four years in office and follow a divisive campaign.

All 50 states and Washington DC went to the polls, and voter turnout was expected to be high.

Mr Trump attended three rallies on the last day of campaigning, telling his supporters: "Everything we have achieved is at stake tomorrow."

Barack Obama – on the campaign trail for the Democratic party – said: "The character of our country is on the ballot".

The former Yank president tweeted the vote "might be the most important of our lifetimes".

Teenager dies in street stabbing

A TEENAGE boy has been found stabbed to death after police were called to reports of a shooting in south London.

Officers have launched a murder investigation following the death of the 16-year-old victim, who police believe was stabbed rather than shot.

They were called with the London Ambulance Service to an incident in the Tulse Hill area around 11pm on Monday.

They found the teen unconscious in the street but despite the efforts of paramedics, he was pronounced dead just 40 minutes later.

"At this early stage, it is believed the boy's injuries are stab rather than gunshot wounds," said the Metropolitan Police in a statement.

Last night no arrests had been made.

NOW THEY WANT TO TAX MEAT!

Do-gooders call for huge price hike on bacon, roast beef and lamb chops

'LIBERAL do-gooders' want to tax meat to make it too expensive for normal people to eat – because they don't think they can be trusted to look after themselves.

They reckon a "meat tax" could prevent almost 6,000 deaths per year in the UK and save the economy more than £70m in healthcare costs.

And they claim globally, meat taxes could save an estimated 220,000 lives by

By COLIN HURST

news@sundaysport.co.uk

2020 and reduce healthcare costs by £30.7bn, a study found.

The research is based on evidence linking consumption of "red" meat – such as beef, lamb and pork – to increased risk of heart disease, stroke, diabetes and cancer.

Impacts

And the boffins have calculated that to meet the health cost the price of red meat would have to go up by 14 per cent and processed meat

by 79 per cent.

Lead researcher Dr Marco Springmann of Oxford University, said: "The consumption of red and processed meat exceeds recommended levels in most high and middle-income countries."

"This is having significant impacts not only on personal health, but also on healthcare systems, which are taxpayer funded in many countries, and on the economy, which is losing its labour force due to ill health and care for family members who fall ill."

"I hope that governments will consider introducing a health levy on red and processed meat as part of a range of measures to

make healthy and sustainable decision-making easier for consumers."

The study indicated that a health tax could reduce consumption of processed meat such as bacon and sausages by about two portions per week in high-income countries.

Higher taxes on processed meat were also expected to cause consumers to switch to eating more unprocessed meat.

But red meat enthusiast Paul Doncaster refuted the calls. He said: "This is bullshit. These liberal do-gooders think they know better than everyone else."

"People should be free to make their own choices."

FINE CUTS: Dr Springmann (below) says we should tax juicy chunks of roast meat

'BURIED DEAD MAN' TURNS UP ALIVE

A MAN who was thought to be dead turned up at his family's home two months after they apparently buried him.

Aigali Supygaliev (left), from Kazakhstan, was pronounced dead after DNA tests on badly burned human remains proved with "99.2% certainty" that they were his.

Authorities issued an official death certificate and he was "buried" in

September in the Muslim cemetery of Tomarly, his family's home town just north of the Caspian Sea port of Atyrau.

His brother, Esengali Supygaliev, said: "We held a wake and the extended family organised a traditional 'konil shai' ceremony, where friends can share tea and sympathy with the bereaved."

"When Uncle Aigali walked through the door

hale and hearty two months after we'd buried him, my daughter Saule nearly dropped dead of a heart attack."

Aigali, 63, had left home one June morning and didn't come back.

It turns out that he had taken up an offer of work in a nearby village from a man he'd met.

Once the work was finished four months later, Aigali walked all the way back to Tomarly.

Former Nazi camp guard, 94, on trial

A SURVIVING former enlisted SS man has gone on trial in Germany, charged with being an accessory to murder for crimes committed during the years he served as a guard at the Nazis' Stutthof concentration camp.

Johann Rehbogen, now 94 (above) is accused of working as a guard at the camp east of Danzig – which is today the Polish city of Gdansk – from June 1942 to the beginning of September 1944.

There is no evidence linking him to a specific crime, but more than 60,000 people were killed at Stutthof and prosecutors argue that as a guard, he was an accessory to at least hundreds of those deaths.

Stutthof prisoners were killed in a gas chamber, with deadly injections of gasoline or phenol directly to their hearts or shot, starved and even forced outside in winter without clothes until they died of exposure, prosecutor Andreas Brendel said.

Rehbogen does not deny serving in the camp during the war but told investigators he was not aware of the killings and did not participate in them.

Teen firework gang target ex-squaddie

POLICE are looking for a group of teens who dropped a lit firework in a homeless man's pocket on Bonfire Night.

Images on social media show his burnt clothing and red marks on his skin following the incident at 8.20pm on Lime Street in Liverpool city centre.

Andy Shute, from the Paper Cup homeless project in Liverpool, said the victim was a former Army serviceman.

He said: "In the worst case we could be looking at a guy having his leg amputated. As they walked past him one of them said, 'Have a sparking good night mate', and after that he could smell burning and his jacket was alight."

Merseyside Police said inquiries are ongoing.

GRENFELL PRANKSTERS FEAR FOR THEIR LIVES

IN DANGER: Bobbi and (right) his dad Clifford

By COLIN HURST news@sundaysport.co.uk

THE men who burned an effigy of Grenfell Tower say their lives are in danger because of it.

Bobbi Connell, 19, his dad Clifford Smith, 49, and neighbour Paul Bussetti, 46, handed themselves in after the recording was brought to light.

Mark Russell, 49, is also among the men in the video – and could be seen smirking as flames engulfed the side of the cardboard tower on Sunday.

Mr Bussetti's family have denied any of the men are racist – and said they are "in so much danger" after the stunt "got out of hand" and went viral online.

One relative said: "They didn't want it to go this far. It's not what it was. They are not racist. It's been blown out of proportion."

"It was horrible what they've done. They are going to be paying now, aren't they?"

Slammed

Meanwhile, Bobbi's grandad David Connell slammed the footage as being in "dreadfully bad taste".

The video, which was filmed in Clifford's south London garden, shows the crowd as they burn a replica of the doomed tower, before jeering: "Stay in your flat," as it goes up in flames.

Police officers were pictured searching the home in South Norwood yesterday.

After leaving the house, officers searched bins outside and also

knocked on neighbours' doors.

Evidence of a fire could be seen in the back garden of the house as well as an England flag.

A similar flag could be seen behind the Grenfell model in the online video.

It is understood that all five men – aged 19 to 55 – were being questioned at Croydon Custody Centre.

Theresa May also slammed the video, tweeting: "To disrespect those who lost their lives at Grenfell Tower, as well as their families and loved ones, is utterly unacceptable."

Police investigating the inferno that claimed 71 lives also called the video "vile" and "callous".

NOVICHOK-HIT DINER REOPENS

DEFIANT Salisbury residents returned to the Italian restaurant at the centre of the city's Novichok attack yesterday.

Former double agent Sergei Skripal and his daughter Yulia collapsed after dining at Zizzi in the city centre in March in a chemical weapons attack which shocked the world.

After eight months closed during the probe and decontamination, the restaurant welcomed diners back at lunchtime.

Lynda Davis, 67, and her brother Ian Rimmey were among the first customers into the new-look restaurant.

Ms Davis said: "We're not concerned at all about the Novichok – if you live in Salisbury you just get used to it. It's absolutely disgusting what the Russians did, coming over here and attacking Sergei and his daughter with such a terrible poison."

"Thankfully it's all over now and we can get back to normal."

City chopper victims had little chance

TRAGIC Leicester City owner Vichai Srivaddhanaprabha had "minimal opportunity" to escape from his helicopter when it crashed just yards from the club's stadium, an inquest has heard.

The Thai billionaire (above) and four other people died when the aircraft spun out of control and burst into flames on October 27.

Leicester Coroner's Court was told that all five victims had been scientifically identified and were seen on CCTV in the tunnel at the King Power Stadium shortly before the helicopter took off.

A police officer who gave evidence at the inquest said there was minimal opportunity for anybody else to have got in or out of the aircraft in the moments before the crash.

Speaking at the opening of the inquest Leicestershire Police Det Ch Supt David Sandall added that the investigation is ongoing into the cause of the crash.

Adjourning the inquest, Coroner Catherine Mason said that being the case she was not in a position to continue at this time.

Sex lube spotted in social media vid

DOES MEGAN TAKE IT UP THE WRONG 'UN?

GAPINGLY OBVIOUS: Pic sent fans into bum fun frenzy

COUPLE: Megan and Wes

FANS of Love Island babe Megan Barton Hanson say she loves ANAL SEX after she shared a pic of LUBE.

The 24-year-old ex-model took to Instagram to share a photo of a bottle of wine.

But eagle-eyes fans spotted a bottle of sex lube next to the vino.

The social media snap shows a bottle of Durex Naturals Intimate Gel which – according to Boots – is "designed to make those intimate moments feel smooth and naturally thrilling".

Passage

However, fans reckon that the lube was a clear indication that Megan lets her boyfriend Wes Nelson, 22, into her back passage.

One commenter said: "Only older women need lube for front bum sex – she's definitely taking it up the wrong 'un."

While another was

equally convinced the reality TV pair enjoy a spot of backdoor action by penning: "No wonder she walks a bit funny."

Another who followed the pair's Instagram story posted: "Bum fun lovers deffo, that lube isn't for anything else!"

Its unlikely Wes and Megan will be too bothered by the gaffe, as they often speak openly about their sex life.

They also shagged repeatedly while in the

Love Island villa and even coined the phrase "Do Bits Society" to describe how intimate the couples on the hit ITV show had become.

Wes and Megan have recently moved in together, and he said: "The 'Do Bits Society' is still active."

Southend

"We set up a nice HQ in Southend."

"We've refurbished it, got a receptionist and everything."

Megan chipped in: "The 'Do Bits Society' has gone to a new level".

Craig: I avoid 'dull' Tess on Strictly

STRICTLY judge Craig Revel Horwood has branded the hit BBC dance show's presenter Tess Daly "dull".

Craig, 53 (above) hit out at Tess, 49, and branded her questions on the programme "dull" during a book launch tour in Oxford.

The *In Strictest Confidence* author said: "In those 10 or 20 seconds where I have to answer Tess's quite dull questions I tend to avoid them and not answer if I'm honest."

Craig also branded co-star Bruno Tonioli, 62, a "proper attention seeker" and claimed 58-year-old Shirley Ballas' boobs are "fake".

When asked about his comments on *BBC Breakfast* last week, Craig responded by saying: "Isn't there more pressing news?"

BBC bosses have allegedly bollocked Craig off for his comments and warned him that "no-one is irreplaceable".

Shirley is said to be furious with his boob comments and is "particularly upset".

Binmen face sack over street brawl

A COUNCIL whose slogan is "achieving excellence" has been left red-faced after two of its BINMEN had a fight in the middle of the road during a collection day.

The brawl saw punches thrown, kicks aimed and expletives fill the air as shocked locals watched.

Now the crewmen in the punch-up will have to wait to see if it earns them the sack from Staffordshire Moorlands District Council.

Residents in Cheadle watched in disbelief as two binmen jumped out of the rubbish truck and began a dust-up.

One terrified resident said: "I saw them jump out and start throwing punches. It's disgusting."

Ron Locker, a member of Cheadle Town Council, said: "I thought binmen would be too busy to find the time to fight."

Another spokesman confirmed they are aware of the incident and that it is "being dealt with".

Brendan in 12 cock ops confession

EX-STRICTLY dance pro Brendan Cole has revealed he's had 12 operations on his knob.

Brendan, 42 (above), opened up about his penis procedures on ITV's *Loose Women*.

He told shocked viewers he was born with hypospadias – a male congenital condition in which the opening of the urethra is on the underside of the penis.

Opening up, he said: "It's ingrained from you from an early age, have you got a small one or a big one. Most people have a fairly normal sized penis."

"On a personal note, I had issues when I was born. That made me very self-conscious. It's where your penis isn't fully developed or has an issue."

"That was a major thing for me. I had 12 operations."

"That made me question whether everything was normal, whether it worked, whether I was like everyone else until I was 16, 18 into my early 20s."

Macron terror plot: 6 arrests

SIX people have been arrested on preliminary terrorism charges, suspected of plotting to attack French President Emmanuel Macron.

An official, speaking on condition of anonymity to discuss the allegations, said intelligence agents detained the six in three regions, including the Alps, Brittany and near the Belgian border.

He said the plan appeared to be vague and unfinished, but violent.

Mr Macron (above) was in Verdun yesterday as part of First World War commemorations and will host US President Donald Trump at the weekend.

SUZY LAMPLUGH MURDER SUSPECT JOHN CANNAN BALLOONS TO 20 STONE IN PRISON

They call him Johnny Fatpants and prod his belly

By COLIN HURST

news@sundaysport.co.uk

EVIL John Cannan – the missing estate agent Suzy Lamplugh murder suspect – has ballooned to a whopping 20 stone in jail, we can reveal.

And his massive weight gain has led to the one-time self-styled 'ladies' man now being the butt of jokes from his fellow lags.

Inmates at HMP Full Sutton, where beast Cannan is serving a life sentence as a Category A prisoner, poke his podgy stomach and brand him "Johnny Fatpants".

Cannan, 64, was back in the headlines this week when police began digging in

DIGGING FOR TRUTH: Lamplugh cops in former garden of Cannan's mother

the garden of his mother's former house in Sutton Coldfield, West Midlands.

It also emerged that seven VHS tapes had been found dumped on a council tip of police interviews with the infamous convict. In them he offers to help the Lamplugh family, and then cruelly withdraws the offer.

Former car salesman Cannan had a reputation as a lothario, trading on his dark good looks.

But former lag Liam Johnson says all that is long gone and he now resembles "a beached whale".

"They all take the piss out of him and he hates it," he said.

"What he thinks he used to be is long behind him. He's not popular on the wings because of his history but the cons are now ganging up on him, and he can't stand it."

"They call him Johnny Fatpants – and a lot worse – and are forever prodding his huge jelly belly."

"His only joy in life seems to be crisps and cake and

fizzy drinks, but they're why he has morphed into such a really fat c***."

Cannan was convicted in July 1988 of murder and sexual offences. He was given three life sentences with a recommendation never to be released for the murder of Shirley Banks in Bristol in October 1987, the attempted kidnapping of Julia Holman, and the 1986 rape of a woman in Reading.

But he also remains the only suspect in the presumed murder of Suzy Lamplugh, who vanished in July 1986 after going to meet a man calling himself "Mr Kipper".

In November 2002, despite prosecutors claiming there was not enough evidence to charge him, Scotland Yard held a press conference and in a rare move named him as the man they believe murdered Suzy, who was just 25 when she disappeared.

GROOMING GANG MONSTER SLASHED IN JAIL

ONE of Britain's most prolific paedophiles has been left scarred for life and needed 40 stitches after being SLASHED with a makeshift blade.

Ahdel Ali, 31 (left), who led a grooming gang in Telford, Shrops, was attacked by a fellow inmate at Wakefield prison, which left him with a gaping wound from his neck to his shoulder.

The assailant used two razor blades embedded in a strip of cardboard to attack the paedo.

A source said: "Ali and the other lad had a bit of a ruck earlier in the day. Prison officers split them up but they were still furious with each other."

"The other inmate went back to his cell later on and it had been covered in excrement. He flipped, blamed Ali, and went back for him with the blade."

"It was a nasty wound – Ali lost a lot of blood. He went to hospital and had 40 stitches before returning to jail."

A spokesperson for the Prison Service said: "A prisoner at HMP Wakefield was assaulted on October 21 by a fellow prisoner and this is now being investigated by police."

Mr Ali was jailed for 18 years in 2013 along with seven other men, including his brother and fellow ringleader Mubarek Ali, 29, following Operation Chalice.

West Mercia police officers said the total number of girls targeted between 2007 and 2009 could be more than 100.

Ali was found guilty of charges including rape, sexual activity with a child, controlling child prostitution, inciting child prostitution and inciting a child to engage in sexual activity.

As BBC ban the word 'snowman', we uncover memo that proves PC madness has gone too far

SNOW JOKE: Piers and the memo leaked to Midweek Sport

What's the difference between a snowman and a snowwoman? Snowballs!

BEEB bosses have come under fire for banning the world 'snowman' on kids' TV.

Instead of hearing the traditional name for a man made of snow on CBeebies show *Catie's Amazing Machines* viewers heard a snowman being called a "snowperson".

It caused outrage amongst viewers who were quick to label the

show as "PC gone mad". *Good Morning Britain* host Piers Morgan said: "You don't build snowpeople, you build snowmen."

"We, mankind, humans, have built snowmen for 10,000 years."

But the *Midweek Sport* can reveal that the sinister cult of

political correctness goes much further than this.

This memo was leaked to us by a concerned staff member who is worried for the future of the Beeb.

She said: "This is utter lefty loony bullshit. What they are having us do is nothing short of a travesty."

"The end is nigh for the BBC if they carry on like this."

Of course we have no way of knowing if this memo is real.

Teen kills mum after low grade row

A TEENAGE boy has been charged with killing his mum after an argument over poor exam results.

Gregory Ramos, 15, (left) confessed to strangling Gail Cleavenger, 46, after the row. He used a wheelbarrow to load his mother's body into her van and then drove it to a church where he buried the body under a fire pit.

Police said Ramos admitted killing her while she was asleep.

No-one else was home at the time and his father was away in Seattle on business.

The investigation began after Ramos reported that his house had been burgled by intruders who had taken computers, a Playstation 4 and a rifle, along with other items.

Classmates

He also told detectives his mum was missing. According to the sheriff's

department, Ramos enlisted two of his classmates to help stage the burglary.

The two 17-year-olds – identified as Dylan Ceglark and Brian Porras – have also been arrested.

"There was a D in one of the subjects and mum was furious at him," said Volusia County Sheriff Michael Chitwood in Florida last week.

"It's a sorry tale that he'll have to live with for the rest of his life."

FORMER glamour girl Lauren Pope says her dream date would be with comedian Ricky Gervais.

Lauren (above), 36, is currently single but if she had to pick her ultimate man, she'd plump for a fella like Ricky, 57, every time.

The stunning who stars on ITVBe reality show *The Only Way Is Essex*, has been single for four months and said she's looking for a funnyman to date.

When asked if she could pick a celebrity date, she said: "If he were single, Ricky Gervais. Someone with his personality would be the best date."

However, there are rumours Lauren is dating fellow *TOWIE* star Sam Mucklow, 26.

Talking about the potential new man in her life, Lauren gushed: "He's very charismatic, which I always find attractive."

"And he's a hard worker – someone who's a go-getter, has really good energy. The current series has been one of my favourites. I'm just having so much fun."

'Minder' jailed for banging dog

A MAN has been jailed for two years after SHAGGING someone else's DOG while he was supposed to be looking after it.

Thomas Copland, 32, was arrested after a sheriff's deputy saw a dog with injuries consistent with bestiality.

After discovering the pooch was 'last known to be in Copland's possession before the injuries occurred', cops went looking for Copland.

They found him hiding in a closet inside his home in Spring Creek, Nevada.

Despite pleading not guilty to bestiality, Copland was jailed for two years for torturing or injuring an animal.

He is also facing trial over eleven post-bestiality counts of burglary and other charges for grand larceny and theft by misrepresentation.

FIDDLER ON THE ROOF

TRANAD: Mason as 'Brianna', his 'other way of living'

Cross-dressing grandad BUMMED himself in full view of neighbours

A CROSS-dressing pensioner who shoved a dildo up his bum while cavorting naked on his roof has been jailed for four months.

A neighbour, who was cleaning her child's bedroom, spotted Barry Mason on the roof of his home in Hull on July 25.

Using her mobile phone she recorded around half an hour's footage of Mason, 68, stuffing a G-string in his mouth and licking the "used" sex toy.

Prosecutor Phillip Evans told Hull Crown Court: "She thought she was observing a woman because the individual she could see had shoulder length blonde hair and was wearing lingerie."

Genitalia

"After a few minutes the defendant removed what was in fact a wig and his male genitalia could be seen."

"She saw him remove all the clothing, place a G-string formerly worn adjacent to his genitals over his head, place an object described as a sex toy in his body."

He said that Mason performed a sex act "then removed the cylindrical object and placed it in and close to his mouth before wiping the cylindrical object with the G-string, then placed the G-string in his mouth."

Mason was arrested later that day, said Mr Evans, adding: "He said that he was a naturist."

"He accepted that the police had spoken to him two years ago about such behaviour."

Mason had earlier interrupted Mr Evans from the dock, shouting: "I'm not a pervert, I'm a naturist."

He had gone up on the roof dressed as 'Brianna', which he described as "my other way of living".

Mason claimed no-one could see him without binoculars but when shown the mobile phone footage, he replied: "No comment."

He later admitted outraging public decency.

Little Mix babe's bare boobs are spot on!

LITTLE Mix babe Jade Thirlwall flaunted her bare BOOBS in a see-through spotty top.

Jade, 25, looked incredible as she attended the MTV Europe Music Awards and her choice to go braless left her nips poking through her sheer blouse.

The outfit brought Jade plenty of attention as she flaunted her pert pair at the ceremony in Bilbao, Spain.

SHOCK FOR THIS MORNING VIEWERS AS PHILLIP SCHOFIELD SAYS...

'Great big buzzing dildo!'

X-RATED REMARK: Phil left Rochelle in fit of giggles

ARE SEX TOYS IN THE SUPERMARKET INAPPROPRIATE?

By BECCA STUBBS becca@sundaysport.co.uk

TV presenter Phillip Schofield left *This Morning* fans stunned after he said 'BIG BUZZING DILDO' live on the show.

Phil, 56, made the X-rated gaffe while discussing sex toys with his co-star Rochelle Humes, 29.

The hosts were debating affordable sex toys in a saucy segment when Phil began talking about vibrators.

Insisting he didn't see the problem with Sainsbury's stocking budget sex toys, Phil made a blooper.

Knocked

Opening the debate up to Vanessa Feltz, who was also on the show, Phil said: "It's not as if there is some great, big, buzzing vibrator on the top shelf. They are subtle."

He then knocked the sex toys across the floor and burst out laughing as he yelled: "It vibrated out of my hand!"

Fans couldn't believe their ears,

with one tweeting: "A great big buzzing Dildo! Words I never thought Phil would utter."

Another told their Twitter followers: "PSA: Phillip Schofield just said 'great, big, buzzing dildo' on pre-watershed, national television!"

A *This Morning* poll found that over two thirds of viewers were not happy with the vibrators appearing in stores.

Vanessa, 56, agreed and was furious that selling sex toys in supermarkets was even up for discussion.

Supermarkets in 2p fuel cut

FOUR supermarkets have given motorists a treat by cutting petrol prices by 2p a litre.

Asda, Morrisons, Tesco and Sainsbury's made the move after fuel retailers were accused of not passing on savings from lower wholesale costs.

Over the past six months, the cost of filling up a typical 55-litre family car with petrol or diesel has risen by around £6.

The average cost of fuel at UK filling stations stands at £1.30 per litre for petrol, according to new Government figures.

Asda said the 2p price cut would now mean their customers would never pay more than 122.7p per litre for petrol and 134.7 for diesel.

Diesel vehicle owners have been hit by price rises for 18 consecutive weeks, reaching an average of £1.37 per litre.

LOUIS THE RUDE!

TOUCH 'N' SHOW: Louis gets hands-on at dinner sex event

TWITTER STORM: How the doc went down on-

Web goes into meltdown as TV man strips for NAKED eating

By COLIN HURST news@sundaysport.co.uk

QUIRKY documentary maker Louis Theroux had viewers squirming when he joined a "sensual" dinner party for his latest show.

Louis stripped to his underwear, was smeared in whipped cream and ate strawberries served by topless women in the first episode of his *Altered States* series.

The show, called *Love*

Without Limits, saw father-of-three Louis, 48, admit he'd asked his wife's permission before the event in Portland, Oregon.

The saucy scenes showed Louis join Sex Positive, Portland, a group which celebrates non-monogamous relationships, and soon he was watching people "spasming" in ecstasy.

Blindfolded

Removing all his clothes – apart from his boxers – Louis was then blindfolded and sat down on the floor while being fed by a topless woman in a skimpy black thong. Then, while he was being fed by

multiple people, there were moans in the background from other people enjoying their dinner.

He said: "It was all rather embarrassing, but at the same time a little bit liberating."

Some viewers said the racy scenes had gone too far as others complained that it made them cringe with embarrassment for the broadcaster, who they insisted must have a very understanding wife.

One joked it was so uncomfortable to watch they were close to vomiting, declaring on social media: "Really enjoyed last night's show although did have me conflicted and I even dry heaved a couple of times! It made uncomfortable viewing."

Sinead snubs 'disgusting white people'

ODDBALL Sinead O'Connor has sparked outrage on Twitter by claiming she no longer wants to spend time with "disgusting white people" – after converting to Islam.

The Irish star (above) – who now refers to herself as Shuhada' Davitt – apologised for her "racist" tweet, but said: "I never wanna spend time with white people again."

She branded "white people" or "non-Muslims" disgusting, adding: "Interesting to see if Twitter bans this."

However, the 51-year-old, who has battled with her mental health over the years, was met with a furious backlash from both Muslims and non-Muslims.

One user replied: "You're disgusting too then, because you're also white."

And another wrote: "Don't stereotype – people are different regardless of colour!"

Cops hunt serial uni-toss perv

A MAN accused of flashing and wanking in public during a three-year reign of terror at a university is wanted by the police.

The most recent incident happened at 3.45am on Sunday when a victim was in the parking lot of a student apartment complex in Orange County, Florida.

The victim said she was opening her car door and saw a light blue Hyundai parked close by.

She then noticed a man walking towards her masturbating.

The victim got back in her car and locked the doors, at which point the man went to her driver's side door, where he completed his tug session before running off.

Cops released an e-fit of the suspect and said he's white, in his mid-20s, 5ft 5ins tall with facial hair and wearing glasses.

The mystery tosser, who police said has been a menace since 2015, was wearing a beanie cap and jeans at the time of incident.

Vegan's 'stab' threat to mum

A VEGAN has been fined for threatening to stab her mother for making traditional meat sauce in her presence.

The vegan daughter, 48, told court officials that, prior to moving to live with her mother she'd long been avoiding "sensory" and "olfactory contact" with animal products.

Lawyers said that there had been "an escalation of aggressive episodes, always over food" in the household in Emilia Romagna, Italy.

Furious with the smell of meat sauce simmering on the stove, the daughter reportedly grabbed a knife and threatened her 69-year-old mother: "If you won't stop on your own then I'll make you stop. Quit making ragù, or I'll stab you in the stomach."

She was ordered by pay a £400 court fine and £500 to her mother for physically threats.

have spent the weekend with *Underworld* beauty Kate, 45.

And as we can see from these grabs from her film *Uncovered* from 1995 she boasts a wonderful pair of pert busters.

The pair were spotted snogging at a karaoke bar in LA before later being seen together at a swanky

£2,000-a-night hotel.

And Kate's not the only older woman that Jack's slipped a length to.

The funnyman's exes also include actress Gemma Chan, 35, and busty Sky Sports presenter Kirsty Gallacher, 42.

Fittest

A showbiz source said: "If you were young, free and single while at the top of your career why wouldn't you be trying to bag off with

the world's fittest women?"

"He's very charming. "Although pulling Kate is a hell of an achievement for him...the lucky get!"

Kate divorced director Len Wiseman in 2016 after 12 years of marriage, and has previously been linked with on-off American toy boy Matt Rife

Jack meanwhile dated *Fantastic Beasts* and *Where to Find Them* star Gemma until last year, after six years together.

SON FAKED KIDNAP FOR DRUG MONEY

AN EVIL son faked his own kidnapping to extort money for drugs from his parents.

Jason Hillier, 20, is now behind bars for exploiting his old folks after pretending to be his own kidnapper.

His mum told cops she hadn't seen her son for six days.

She also told police that within that time, someone called asking to free her son and his car.

They also called the son's dad asking for £350.

Sheriff Robert Pickell said the mother sent £750 to a "drop spot" for someone to come and pick up the ransom.

He added: "When we got into the case, we checked all the tapes, the surveillance footage.

"And we see the defendant,

Jason, picking up the check himself and driving off in his own car.

"The son is extorting his mother, shaking her down, because he has a drug problem and he needed the money for drugs."

Before they got caught, Hillier and his friend, 40-year-old Michael Forester, allegedly asked his parents for another £100.

They set up a meeting time and police were there to arrest them.

Sheriff Pickell added: "What could be more frightful to a mother than to find out your son's been kidnapped?"

Hillier and Forester, both from Flint, Michigan, are facing one count each of false pretences.

NOT SO SUPER HEROES

Boffins say 'violent' goodies are baddies

A NEW study claims that the "goodies" in superhero films actually commit more crimes than the "baddies".

Research also found the good guys committed more murders than their evil enemies.

Lead author Dr Robert Olympia said: "Children and adolescents see the superheroes as 'good guys' and may be influenced by their portrayal of risk-taking behaviour and acts of violence."

"Health care providers should educate families about the violence depicted in this genre of film and the potential dangers that may occur when children try to emulate these perceived heroes."

Researchers watched 10 superhero movies – like *Batman* and *Wonder Woman* – and recorded any instance of violence portrayed by the lead characters.

Destruction

The research team in Orlando, Florida, also noted the specific type of violence – such as fighting, destruction of property, or murder.

They found that the superheroes engage in an average 23 violent acts per hour, compared to just 18 instances of violence by villainous characters.

In total, the authors

By COLIN HURST

news@sundaysport.co.uk

counted 2,191 acts of violence by the heroes across the 10 films, and 1,724 from the crims.

Researchers say that instead of parents letting their kids watch a superhero movie at home and leaving the room, it may actually be healthier for them to watch superhero films with their children, and then discuss some of the more "troubling" scenes.

Dr Olympia added: "In passively co-viewing violent media, there is an implicit message that parents approve of what their children are seeing."

"And previous studies show a corresponding increase in aggressive behaviour."

McDonald's robber shoots himself

AN armed man robbing a McDonald's accidentally SHOT himself in the leg as he tried to escape.

Donte Grayer, 26, was identified by police as being the suspect in the robbery on Saturday night.

Authorities said that Grayer (*below*) entered the McDonald's in Macon, Georgia, at about 11pm while wearing a black and red wig.

According to witnesses, Grayer asked to speak with the manager before revealing a gun and telling him to open the safe in the back office.

Witnesses then reported hearing a gunshot from the back office and seeing Grayer flee the restaurant.

Witnesses said they heard Grayer screaming for help while wearing only his boxers, with the red and black wig, clothes and money – "all connected to the armed robbery" – on the ground next to him.

PRETTY Penny Lee would love to take one for the team – after she revealed her fantasies for a kinky THREESOME.

The busty 32E stunna is a self-confessed nymphomaniac who says that, despite her efforts, she just can't get enough sex!

Penny, 23, revealed the only way to fully satisfy her is if she had her way with TWO guys at the same time.

She said: "I know that some girls like the idea of a three-way with a guy and a girl, but for me it has to be with two men."

"They would both be looking at me while taking turns dominating me."

"That would be really hot."

But that's not all the Worthing-born model has to offer, as she admitted she would be so turned on that she would be up for a bit of BUM FUN with her two lucky lovers.

She added: "I'd probably take things a little further by letting them both indulge in some anal sex."

"I never turn anal down – I absolutely love it!"

STINK BOMB!

'Terrorists' blow up dog poo bin leaving park like 'a shitty Somme'

A DOG poo bin blown up in a terrifying explosion was targeted by 'terrorists', according to excited locals.

Dog walker Mark Fox found the remains of the dog waste disposal bin near Chelmsford in Essex.

Shreds of the bin were strewn all over the field where it used to stand and dog shit was also splattered across the park.

It is unclear how the damage was caused, but reports claim thugs probably used fireworks to create the explosion.

Attack

But locals on a Facebook forum are adamant their sleepy village is under attack.

One wrote: "This is it. Terrorists have come to Essex."

"I was there in the aftermath, it was disgusting. It looked like a shitty Somme."

"Poo was everywhere

and the ground was torn up."

"Another added: "This is disgusting. Isis have clearly hit a new low to be bombing poo bins in Essex."

One less excitable local resident moaned: "This really takes the biscuit."

"There was mess strewn everywhere and not only did it look unsightly, it stank too."

"What these idiots seem to forget is that someone else will have to come along to clean it all up."

Woman 'stabs' boyfriend with an alarm clock

A WOMAN was arrested after she stabbed her boyfriend with an alarm clock.

Briana Rice (*above*), 36, plunged the clock into the arm of Jesse Pack, 40, then really laid into him while in their home.

When cops arrived Rice initially said that nothing physical had happened and added: "I thought you were here to hurt my dogs."

Pack said he wanted Rice taken into custody for a mental screening, telling officers she was drunk and "just went crazy".

His mother said the couple, from Daytona Beach, Florida, were arguing when she arrived home from work on Wednesday and it went on for more than an hour.

Moments later she heard Pack scream and found him bleeding in the living room.

Rice claimed Pack was injured by a door that fell on him. She said she never used an alarm clock and that "she never hurt him", before cops hauled her off to the lock-up.

Back surgeon cut out kidney

A WOMAN who went to hospital for back surgery woke up with one less kidney after a doctor mistook the organ for a tumour.

After suffering for years from back pain from a car accident, Maureen Pacheco checked in to hospital in 2016 to get the bones in her lower back fused.

During surgery, Dr Ramon Vazquez "noticed a pelvic mass and provided a presumptive diagnosis of a gynecologic malignancy, lymphoma, and/or other metastatic disease," stated an administrative complaint.

Dr Vazquez then clipped and removed it from Pacheco's body.

But the pelvic mass he thought he noticed was in fact an intact kidney, a pathologist confirmed a month later.

Pacheco, 53, of Wellington, Florida, filed a malpractice claim that has since been settled.

A TEACHER has been nicked for repeatedly having sex with a teenage boy – including on one occasion when she sucked him off in a cemetery.

Katrina Kraus, 35, has been charged with second-degree statutory rape and second-degree statutory sodomy.

Kraus is said to have had consensual intercourse with the student on multiple occasions from June to October of 2017.

He was 14 when they first got together and had turned 15 by the end of their relationship.

By BRAD CHADWICK

Officials claimed that

the victim vividly described one of his six incidents with Kraus taking place at the Cone Cemetery in Schuyler County, Missouri.

Explicit

The teenager said the other five occurrences took place in Scotland County.

Kraus is currently facing charges in Schuyler County, but Sheriff Joe Wuebker said more charges could be pending for Scotland County.

Investigators were first notified about the relationship when they were contacted by a different 17-year-old

Students get sex lessons from a legend of porn

A UNIVERSITY paid a PORN STAR to give sex lessons to students.

Grumble legend Nina Hartley was handed £3,500 to speak to students at the 90-minute talk, in which Hartley told them "it's acceptable to enjoy pornography, acceptable to not enjoy it and acceptable to be confused about it".

Bare

Nina has won awards for her movies such as *Ball Busters* and *My Bare Lady*, and also played the serially unfaithful wife in Hollywood hit *Boogie Nights*.

Her appearance at the University of Wisconsin-La Crosse was promoted only through signs on campus.

Chancellor Joe Gow said the world would be a better place if people were more open about sex

But one parent said: "I think the whole thing was entirely unnecessary. She didn't say anything that a teacher could not."

THE WORLD FAMOUS AGONY Page

Dear Kelly,

DURING a heavy night on the ale I managed to pull what I thought, in my drunken haze, was a gorgeous babe.

She took me back to her place and soon got to work on my cock. Starting at the base, she licked and sucked me expertly and tickled the tip of my knob with her tongue.

By then we had progressed to the bedroom. She put her lips round my dick again and I exploded in her mouth.

Later I shagged her from behind before we both collapsed in an exhausted heap.

When I woke in the morning I had a raging hangover and dashed to the loo to throw up. When I returned to the bedroom I saw the woman I had shagged. She was about 50, with droopy tits, and her false teeth were in a glass.

I ran for it and it's put me right off sex. What can I do to regain my enthusiasm?

NF, Lancaster

Kelly says...

AVOID pulling another moose by staying sober.

Dear Kelly,

MY missus used to dress up for me and play the slave to my strict master and obey my orders.

Obviously, I made the most of it and would have her sucking my cock as often as I wanted.

But that's all gone out of the window. She works as an accountant but I was made redundant a few months ago.

Now she lays down the law. She made a list of my household duties and a list of sexual services that she demands that I perform to order.

As soon as she walks through the door of an evening, I'm supposed to have a meal on the table. Then I have to fondle her vagina with my fingers before going to work on her clit with my tongue to bring her to orgasm.

Then, after a nap, she demands oral sex all over again and on top of that a good shafting to boot.

I'm a wreck and in no condition to get a job. What can I do?

DH, east London

Cave sex was dark and dirty

Dear Kelly,

I RECENTLY went rambling for the first time. I thought it meant gently walking about on the hills, but it turned out to be a lot more energetic than that.

I hung back a bit until a hunky-looking fella asked me to climb the side of a cave to get to the top. But he led me in it and began to take off my clothes.

He sank his mouth down on my erect nipples and I grabbed his cock and took it in my mouth.

I made his cock wet and then got on all fours and waited for him to push it in.

He filled me up nicely, gripping on my waist and f**king me until I felt his cock go extra hard.

I wanked him off over my tits and then we both got dressed and rejoined the group.

Now I go rambling every weekend, but the fella's left the group. Should I try to get another fella to do me in the bush?

AGONY IS BROUGHT TO YOU IN ASSOCIATION

WELCOME to the World famous Sport Agony page! No other newspaper's agony aunts can offer the level of advice – or experience – than our own Agony Angels! This week KELLY M cGREGOR has been reading through your letters. And here's her advice for you...

Rugby players gave me a good rucking!

Dear Kelly,

I'M a divorcee and I've just returned from a holiday in Majorca – where I met another lady of a similar age.

She'd been a few times before and I was amazed at how many times she'd made it with younger men.

On our second night we got pretty tipsy in a bar and ended up in the apartment of a couple of rugby players who were on a club jaunt.

My new friend quickly got to grips with the dark-haired one, while I was massaged by his hunky blond mate.

I'd forgotten just how wonderful it is to be touched like that by a man.

As he caressed me, my stud assured me that I had a great body.

He tweaked my nipples and they responded by hardening.

I let out a little gasp when he ran his tongue over each of them in turn.

His hand then wandered down to my soaking

panties and he slid his fingers gently inside me.

I climaxed almost immediately and as I was still recovering he slipped his massive erection into my pulsating pussy.

I was in a dreamworld as I reached heights of ecstasy I had never enjoyed with my husband.

My blond fella was pumping into me with such force that I screamed out.

Thrusting

I'd had my eyes closed throughout, but when I opened them I saw my new-found pal right up close as she was being taken from behind by her fella.

Swept along by the mood of the moment, I reached out and grabbed her breasts as they swung beneath her.

As I rubbed her titties, she lowered herself towards me and I snogged her, vigorously thrusting my tongue inside

her mouth to meet hers. I'd never enjoyed such dirty sex.

After our fellas had spent their seeds inside us they took a breather while my pal and I got into the 69 position so that we could lick each other out.

After this we swapped partners and her fella shagged me and the blond hunk did her.

My pussy took a real pounding but I loved every minute of it and had another mind-blowing orgasm.

Once it was over the lads left, leaving me in the arms of my new mate.

But now I'm home I'm worried I might have developed lesbian tendencies.

What do you think?

TR, Birmingham

Kelly says...

DON'T worry, you've just been re-awakened to the real joys of sex.

Dear Kelly,

I WORK behind the bar in a pub and a couple of weeks ago my boss said he would pay me £1,000 if he could film himself shagging me.

I wasn't sure at first but I really needed some extra money, so I agreed.

After work that night, we went back to his flat and he had everything already set up to film our session.

I started off by giving him a blowjob before he pulled out and shot his load over my boobs.

After I'd worked him back to hardness, he f**ked me from behind.

A week later he offered me another grand if I'd sleep with him and two of his mates.

At one point I had a dick in my mouth, arse and fanny at the same time.

The only problem is that I have still not been paid for either session.

But my boss assured me that he would honour our agreement and wrote a cheque for £2,000.

But when I went to cash my cheque, it bounced!

And then when I complained to my boss, he just smiled and said if I didn't stop moaning I'd be sacked.

What can I do?

GT, Devon

Kelly says...

SOUNDS like you've been taken for a ride – in more ways than one. My advice to you is find a new job.

Lousy brother came to play while I was away

Dear Kelly,

I RECENTLY got back from a six-month holiday touring the world and I'd really been looking forward to seeing my hot blonde girlfriend again.

But when we got together it was clear that something wasn't as it used to be.

Then I got a surprise when my younger brother called to her place for a brew. He seemed very sure of himself around her house.

Then I caught them at it when I got back from the shops one day. I was walking past the kitchen window to the back door as I spotted them.

She was bent over the ironing board as he shafted her from behind and I could hardly believe my eyes as I watched him sliding in and out of her snatch.

Ecstasy

Then she turned round before sinking to her knees and taking his cock in her mouth.

She sucked on him greedily, taking his full length deep into her throat and then she got down on all fours so he could give it to her doggy-style.

She yelled in ecstasy as she climaxed and my brother shot his hot spunk over her arse-cheeks.

I gave them a few minutes to get dressed before walking in, but I didn't reveal that I had seen them.

They pretended that nothing had gone on and I felt insulted that two people so close to me could be so f**king mean to me.

What can I do to try to resolve this?

MY, Sussex

Kelly says...

NOT much. I think you should just let her go.

**Spanking good
time tops list for
submissive babes**

Sara Knight says...

I DEFINITELY swing both ways when it comes to BDSM.

The hottest weekend I have ever had involved being a real dominatrix mistress on the Saturday night and then switching to being a meek and submissive girly girl on the Sunday.

For the first night I dressed up in a latex basque, stockings and high heels and was a real bitch.

I started off by tying my man to the bed and

then sat on his face until he made me climax twice.

After that I untied him and bent him over my knee so I could spank him for being such a dirty pervert.

When he was hard again I rode his cock for ages, always just stopping before he came. It was such a turn on.

When he was in control, I was tied up while he licked me all over before blindfolding

I was so wet that when it came to shagging me he just slipped his big cock right in me and I climaxed in seconds.

MORE than two thirds of women have fantasised about submissive sex sessions – with spanking coming top followed by being tied up and being watched masturbating.

A new survey also revealed that more women prefer to be on the receiving end of kinky S&M sex – with just 39 per cent admitting they prefer to be dominant in the bedroom.

Paula Charles runs the Strictly Down And Dirty – a sex toy company specialising in the BDSM scene.

She reckons the film *Fifty Shades of Grey* has influenced a lot of women to try S&M but reckons the film also means they may be missing out on trying out their dominant side.

Dominant

Paula said: We are not surprised so many women have fantasies like this.

"Nearly every woman I know likes to be spanked on the bottom.

"But it is important to remember to discuss these practices with your partner before you indulge.

"Get full, informed, consent and always have a safe word.

"I think *Fifty Shades of Grey* obviously has an influence which has been a positive, but it is also restrictive as well.

"Some women may not realise that they can be the dominant partner.

"And believe me, there's nothing better than having a man at your mercy."

Jane Flower says...

I AM not surprised women prefer to be submissive – I know I do.

I tried to be the dominant one in the bedroom and couldn't take the whole thing seriously.

I ended up giggling too much and spoiled the mood for my partner.

My favourite is being ordered around and told what to do, like I am his personal porn star.

I like it when he makes me touch myself in front of him.

It's a real turn on when he starts wanking his cock as he looks at me and tells me to put another finger in or to use one of my toys.

It feels so sexy and dirty.

Maria McCrae says...

I LOVE a bit of kinky S&M. And I go both ways too. Sometimes I like nothing better than being bent over my man's knee and spanked until my bum is bright red.

It always makes me so wet until I beg him to stick his cock inside me.

I like it when he teases me afterwards though and tells me I don't deserve his cock.

That's when I get so turned on I start begging and begging for him to shag me.

But I also like to take control too. My favourite is to blindfold my man and touch, kiss and caress him all over his body.

I love that he doesn't know whether I'm going to stroke his nipple next or take him deep in my mouth.

Hearing him whimper and moan is such a turn on.

All titles are available exclusively to **Midweek Sport** readers at just £20 each! Remember, these are brand new R18 titles from the top studios and leading directors and can sell for as much as £50 each.

R18 is the certification awarded

to hardcore pornography in the UK and these titles are only available to broad-minded over 18s from licensed sex shops like the **Private Shops** chain.

You can't buy genuine hardcore from mail order so you'll have to go to one of the shops. But as there's over 100 across the UK there should be one close to you. Just have a look at the list below.

'I love to dominate in rubber and PVC numbers'

By BECCA STUBBS

becca@sundaysport.co.uk

BUSTY Bex White may look like butter wouldn't melt... but don't be fooled.

The 32B glamour babe says she likes to get BOSSY in the bedroom.

And she revealed she wears lots of skimpy rubber and PVC numbers that don't leave much to the imagination.

The 32-year-old Brighton lass said: "I'm a massive fan of me on top. It gives me so much more control over the thrust action and my orgasm."

Power

"I like to dominate and my fella loves it when I do!"

"I like a bit of S&M, but nothing too extreme. You can forget the nipple clamps and hot wax candles!"

"I don't want to inflict any pain on my man. I just find it a huge turn on to tell him what to do – it's a massive power trip!"

JUVE GOTTA FANCY POG TO SHINE

MAN United travel to Turin this evening to play Juventus having won both Premier League games – albeit narrowly – since they were outplayed in the reverse fixture at Old Trafford last month.

United will take heart from the fact that they have won their last two Champions League away ties against Juventus and scored three times in both ties. Since the second of those losses – February 2003 – Juve have lost just one of their last 35 home CL ties.

The hosts are 4/7 with BetVictor to do the double over Jose Mourinho's side who are 5/1 to take maximum points with the draw at 3/1. Cristiano Ronaldo has not scored in the competition in the last 389 minutes with 15 barren shots in that period. The former United superstar is 10/3 to open the scoring with BetVictor and 11/10 to find the back of David de Gea's net at some time during the game.

You must go back to the 2001-02 season – against Deportivo La Coruna – for the last time United lost home and away to the same side in the knock out stages of the CL. On current form it is hard to make a case for United although I expect to see a big game from Paul Pogba returning to his former club.

Given their wonderful form it is a shock to find that Man City would become the first English club in the history of the European Cup/Champions League to lose four home games on the spin if they lose to Shakhtar Donetsk this evening.

Reverse

City have lost 1-2 to Basel, Liverpool and Lyon at the Etihad earlier in the year although they did lead Basel 4-0 from the away leg of their last 16 clash.

City are 1/10 with BetVictor to take all three points, having won the reverse tie 3-0 in the Ukraine, with the visitors 22/1 and the draw at 10/1.

David Silva has been quite outstanding so far this season and he was trimmed to 4/1 with BetVictor to be named PFA Player of the Year at the weekend with early frontrunner Eden Hazard drifting out to 2/1 following his recent spell on the sidelines.

Liverpool remain 1/2 to win the Premier League without Manchester City with Chelsea 4s and Spurs 8/1. I was disappointed by the Reds at the Emirates despite picking up what might prove to be a vital point.

After Wolves' recent travails Everton are the new 2/1 market leaders in BetVictor's market without the big six with Wolves 4s, Leicester 9/2, Bournemouth 5/1 and Watford 6s.

As we head into the next international break Joe Gomez is 8/1 (from 16s) to be named PFA Young Player of the Year with BetVictor behind Raheem Sterling who remains 9/2 favourite with Richarlison 7/1, Naby Keita (still no idea why) and Leroy Sane 8s.

Celtic entertain RB Leipzig tomorrow night and the suggestion is that Brendan Rodgers' side are overpriced at 29/10 with BetVictor given they have won their last three games – since losing the reverse fixture 2-0 – by an aggregate score of 13-0.

Hazard warning from Eden's brother

HE'LL LEAVE CHELSEA – BUT NOT UNTIL SUMMER

EDEN Hazard will NOT walk out on Chelsea this season – says his brother.

The Belgian maestro has long been linked with a move to Real Madrid, with the Spanish giants thought to be readying a January swoop.

The player himself has made no secret of his desire to move to the Bernabeu.

Some pundits think that's why former Chelsea boss Antonio Conte was overlooked for the hotseat there.

Hazard fell out with the Italian last term and would not have wanted to play for him again.

But with Chelsea mount-

By JOHN ANTHONY

ing a serious Premier League challenge, Thorgan Hazard says Blues fans don't have to worry about his brother going any time soon.

He did drop a heavy hint that a summer move was on the cards though.

Thorgan said: "I think Eden will see what happens at the end of the season."

"I know him. He's not thinking about a move right now. He will give everything for Chelsea. He doesn't want a clash with his club either. If he ever leaves, he will play it correctly."

"Eden made the right decision to stay at Chelsea after

the World Cup. Chelsea weren't keen on selling him and he had a strong start of the season.

"Real Madrid are in a complex period. They sacked their manager, key players left. They have to rebuild."

Climate

Another Chelsea man with Spain on his mind is Alvaro Morata.

He reckons his poor scoring form is down to the dodgy English WEATHER!

The 26-year-old says he's finally getting used to our climate and he is starting to show his true self.

The striker bleated: "The most important thing is that,

finally, I have found the right way and my head is okay."

"No one, only my wife, knows how bad the last year was. Now it's okay."

"In the last month of last season I was down, down, down, down. I cannot be more down."

"I had a period where everything – if it was raining, I was angry because it's raining. If I miss, it's because the pitch is too wet. It was only excuses. It is not good."

After a sticky spell, Morata has scored five goals in 10 league games this season.

At one point, he lost his place to veteran Olivier Giroud but seems to be back in favour with manager Maurizio Sarri.

CROCKED: Curry

Curry in a pickle for rest of Autumn

RUGBY UNION

TOM CURRY will miss the rest of England's autumn Test matches.

The Sale flanked was crocked in the dramatic 12-11 win over South Africa at Twickers on Saturday.

He has injured his ankle and needs a spell on the sidelines.

England forwards coach Steve Borthwick confirmed: "Tom is not available against New Zealand and has been ruled out of the rest of the series as well."

It's a big miss for head coach Eddie Jones who faces another massive weekend battle against the All Blacks.

The 20-year-old has quickly become a key part of England's set-up.

Borthwick added: "Tom injured his ankle and we don't know how long he'll be out for, but he won't be back for our next three Tests."

"He's a fantastic young player and we saw that in the game time he had against South Africa at the weekend."

Tweak

"He's got a fantastic future ahead of him. I know that with his attitude he'll come back in even better shape than he is now."

The other injury news was better for the Red Rose as they lock horns with New Zealand for the first time in four years.

Manu Tuilagi has shaken off the groin tweak that stopped him from facing the Springboks.

Courtney Lawes is back in full training, while Owen Farrell is showing no ill effects from the hip injury he picked up at the weekend.

Borthwick is pleased with how training is going. He said: "Everybody else is available for selection."

"All players took part in training today so there's nobody out of it."

It looks as though Bath's Sam Underhill will take Curry's place.

Borthwick has every confidence in him, adding: "Sam is an excellent player, a really tough defender who hits hard."

"He's in great physical shape and unfortunately had an injury last year that ruled him out when he was going well, but he's an excellent player."

It will be a big day too for England flanker Brad Shields, who was born in New Zealand and faces them for the first time on Saturday.

SHAK SET TO COP FLAK

City boss puts focus on Europe

PEP Guardiola says he's more bothered about beating Shakhtar Donetsk in the Champions League than Sunday's Manchester derby.

The Blues are top of the pile in the Premier League but need to beat the Russians to make sure of their place in the last 16 of Europe's biggest competition.

Guardiola could be forgiven for thinking about taking on United at the weekend but he insists that the Champions League is all that matters for now.

The Spaniard said: "Every game is important and you have to evaluate."

"The most important will be Shakhtar, first because it is the next one and second because it is a final."

"After dropping points against Lyon, every game is a final."

"We have a big chance to make an incredible step to qualify for the next round and after we have three or four days to think about playing United."

City tasted their only defeat of the season against Lyon on the opening day of the Champions

League. But they have looked more like themselves in seeing off Hoffenheim and Shakhtar to get back on the right track.

But their home record in the competition is poor and that's something Guardiola is desperate to put right as it approaches a year since they managed a European win in front of their own supporters.

He added: "It's also really difficult to win away and we won the last two away. I don't count."

"Every game is completely different. We have a big chance to go to the next round."

"We feel more comfortable playing home than away and I prefer to play here than in Donetsk, for example."

Success

Guardiola knows that City's wealthy owners are looking for success in Europe.

The best he has managed at the club is the quarter-finals and the boss is not happy with talk of that being a failure given how much money has been spent.

Guardiola said: "People say it's not enough but in my opinion to reach the quarter-finals is already a big success today."

"Big clubs are going to be out, they're not going to qualify for the next round so going through is already a big achievement."

"My feelings from playing in it 10 seasons ago is that every season it's tougher."

"The teams are stronger, more well prepared — wherever you go the opponent is tough."

"I don't know if it's the toughest one but I have the feeling every season that the players, teams, managers and clubs are stronger, the desire is higher and it's more complicated."

ROO BEAUTY SAYS WALKER

KYLE Walker has backed Wayne Rooney's England comeback.

The Three Lions defender believes the former captain warrants his place against the United States in a Wembley friendly on November 15.

It will be Rooney's 120th cap and the 33-year-old has been in good form for DC United in Major League Soccer.

He will be in the squad for that match but won't be considered for selection

against Croatia in the Nations League.

Walker said: "I think it is good."

"Wayne was there from when I was 20, he helped me right through my England career."

"I think it is probably the send-off he deserves for what he has done for both English football and England."

The match has been

names in honour of the Wayne Rooney Foundation — although the FA will NOT be giving any of the gate money to the cause, although they say they are in support of its efforts.

An FA statement said: "The FA is a not-for-profit organisation which invests millions of pounds back into the grassroots game on an annual basis."

"The proceeds from the England v USA will go back into the English game. However, to honour Wayne

Rooney and his record-breaking England career, we will also help raise money for the Wayne Rooney Foundation through a number of fundraising initiatives around the match."

England legend Sir Geoff Hurst is pleased with the move.

He said: "Wayne Rooney has been the best England player of his generation, and his contribution deserves to be recognised. He has been a fantastic servant."

WENG'S ITALIAN JOB!

AC OK for Arsene

By ANDY MILLOM

BOOKIES were last night refusing to take bets on Arsene Wenger becoming the next AC Milan boss.

Drastic action had to be taken after an avalanche of wagers forced his price down to just 1/6 for the San Siro hotseat. Wenger has made it clear that he wants to return to big-time football and that he couldn't manage another English team after two decades at Arsenal.

AC are having another poor season and the writing is on the wall for coach Genaro Gattuso. Reports from France and Italy suggest Wenger has been in talks with the club for several weeks.

AC is owned by the Elliott Fund, whose directors Paul and Gordon Singer are big Arsenal fans. Former Gunners chief Ivan Gazidis takes over running the club at the end of this month.
